

## Construction Labourer - Carpenter

Dilworth Quality Homes is a family-run company that has been building new homes in Kelowna and the Okanagan for over 25 years. With roots as custom home builder in Kelowna we have evolved into an Okanagan Valley wide developer who is committed to building communities one home at a time. Dilworth embraces a family-oriented culture and values working together through excellence to provide its customers with the highest quality homes.

We are seeking a **Construction Labourer - Carpenter** to join our team at our Head Office in Kelowna, BC. Dilworth Homes offers competitive wages, benefits, and a defined benefit pension plan in addition to a challenging and fun work environment.

### **Responsibilities:**

- Assist with site excavation, ground support, and clean-up
- Read and interpret sketches, blueprints, and drawings
- Determine specifications and calculate requirements of wood:
  - Measure, cut, shape, assemble and join wood and wood products to build custom cabinetry, moldings, shelving, panels etc.
  - Fit and install custom cabinetry and other finished wood products
- Build and install framing for dropped ceilings, counters, indirect lighting, display cases
- Set up & operate hand and power tools

### **Qualifications:**

- At least 2-3 years of millwork and carpentry experience; creating & installing
- Current carpenter's certificate
- Experience with residential and commercial projects
- Strong time-management and multitasking abilities
- Occupational First Aid ticket – level 1
- Possess a valid driver's license
